Micro-Blade

eyebrow treatment

Semi-Permanant eyebrow treatment to color, shape, fill & enhance the brow that can last up to one and a half years | \$485 (includes consultation, first treatment and follow up)

Jet Peel

freshen

Hydro-Dermabrasion "Jet Peel"

The cool and invigorating alternative to micro-dermabrasion that will dramatically improve the appearance and texture of your skin. Pure oxygen and water provide superior exfoliation, pore cleansing and skin resurfacing. The jet peel stimulates collagen formation and gives the skin a youthful glow. **This is an effective treatment for wrinkles, hyper-pigmentation and acne.** | \$135 per treatment | \$65 when combined with any other skin care treatment

Dermaplaning Facial

Dermaplaning is a method of exfoliation that consists of using a scalpel to gently shave off peach fuzz and the top layer of dull dead skin cells in order to reveal a smoother, brighter complexion. | \$70 per treatment/\$45 as add on to facial

Dermaplaning with MicroPeel

The MicroPeel procedure is a three-step clinical procedure combining dermaplaning (also known as blading), chemical peeling and cryogenic therapy to reduce the appearance of fine lines, wrinkles, hyperpigmentation, laxity, dullness, and skin imperfections. | \$99

Skin Care Products

At Willow, we don't believe one brand has every solution for every person. We carefully curate a menu of choices that we trust to get you visible results. These are products we know and trust.

Skinceuticals

Born from decades of skin cancer research, SkinCeuticals promises to provide advanced skin care backed by science. Their products, powered by the latest technology in antioxidants, are proven to prevent future damage, protect healthy skin, and correct previous damage.

SkinMedica

Science based pharmaceutical grade skin care utilizing the latest technological advancements to deliver unparalleled at home care results.

Neocutis

Discovered through years of research in wound healing, PSP® is a patented cosmetic ingredient developed by leading Swiss researchers and available exclusively in Neocutis skin care products.

Sanitas

Science + technology, progressive skin health. Your skin has the amazing ability to repair and regenerate itself, especially when you treat it with the right balance of stimulation and nourishment.

Nexderm

Passionate about designing innovative formulations that only contain ingredients that work, Nexderm meets the needs of both consumers and skin care providers, to deliver life-changing results.
